2018 PRODUCT CATALOG

CUSTOM COLORS FORGED BY GODS

For any coating, the foundation is the most critical step in the process. Our primers have been engineered to ensure you get a high performance, long-term foundation. Our primers and adhesion promoters break down the surface of your substrate and ensure an unbreakable chemical bond. From primer to paint to clear coat, each Poseidon product features chemistry that works together to give you a coating that is worthy of a god.

PRIMERS

1K PRIMER

Quart: \$41.98

Gallon: \$92.40

ADHESION PROMOTER

Quart: \$38.64

Gallon: \$78.32

1K Epoxy Primer Application Instructions

Substrates: Wood, metal, glass, plastic (even polypropylene)

1. **Prep surface:** Sand with 400-600 grit sandpaper & wipe down
2. **Stir & pour** into your spray gun
3. **Apply** a regular even coat to cover
4. **Dry time:** 30 minutes at ambient temperature
5. **Painting window:** 1 day

Adhesion Promoter Application Instructions

Substrates: Raw Plastic

1. **Prep surface:** Sand with 400-600 grit sandpaper, wipe down with prep-all, then flame treat
2. **Stir & pour** into your spray gun
3. **Dust** a light coat over the substrate
4. Adhesion promoter will flash off almost **instantly**
5. **Apply** Poseidon base coat after

CUSTOM COLORS FORGED BY GODS

Eye-popping solids that are sure to amaze. All of our solids feature innovative chemistry and premium pigments that you will only find in Poseidon Paint Systems products. Our base coat paints are **ready-to-spray** and have a 72-hour dip window. Just stir, pour into your gun and spray. We recommend 2-3 light coats with a 10 minute flash between coats.
